Note:
We Use IEMs, wedges not required, however ideal to have some on stage as shown with house mix.

Our Rack controls our IEMs through Behringer P-16's

- Rack Includes:
- Behringer XR18
 - Behringer P16-I 16 Channel Input Module (sends to P16 personal mixers)
 - Behringer MDX2600 compressor
 - Power Supply
 - 16 Channel Splitter

Major Wheeler will bring all cables to bring sound to Rack. Venue to provide snake or connections to main board

Somewhere on stage will need an additional microphone (by venue) and straight stand for guest singer that can be moved off stage if not in use.
